ABOUT ME

I am an international student studying Computer Science at Griffith College, seeking a part-time job to support my living expenses.

I try to put in my best effort and take pride in being reliable. I work well with others as I have done some previous social activities. I am a hard-working person, willing to go the extra mile in my work. I love to watch movies and spend time with friends during the holidays.

EDUCATION

Griffith College [2024*]
BSc in Computing Science
